

Maths at BVPS

- 1) The maths curriculum
- 2) How your child can achieve and enjoy

The National Curriculum for mathematics

- Fluency
- Reasoning
- Problem solving

Fluency

The latest curriculum is much more demanding:

$$70 \div ? = 3.5$$

$$5^? = 1250 \div 10$$

Reasoning

What would the difference be between buying 20 single apples and 2 bags of 10 apples?

Here are the prices of cinema tickets.

1 adult ticket = £6.25

1 child ticket = £3.75

A family ticket for 2 adults and 2 children costs £22.50

Zara says:

"This is not a fair deal."

Do you agree?

Do you agree?

Circle your answer

Yes

No

Explain your answer.

because 22.50 is
a lot of money to
watch a film. You
might as well get
the dvd

Great answer.

2 marks

Reasoning

Sometimes? Always?
Never?

When you multiply
two numbers, the product is
always greater than
the factors.

Reasoning

$$18 \times 0.5 =$$

$$0.5 \times 18 =$$

$$\frac{1}{2} \times 18 =$$

$$\frac{1}{2} \text{ of } 18 =$$

Problem solving

Problem solving

A class has 18 girls. A quarter of the class are boys.

How many children are in the class?

A class has 18 girls. A quarter of the class are boys.
How many children are in the class?

Problem solving

In a quadrilateral, the first angle is half the size of the second angle. The third angle is three times greater than the first angle and the fourth angle is double the size of the second angle. How big is each angle?

In a quadrilateral, the first angle is half the size of the second angle.
The third angle is three times greater than the first angle and the
fourth angle is double the size of the second angle.
How big is each angle?

1st angle

2nd angle

3rd angle

4th angle

360°

How your child can
achieve and enjoy

Times tables affect almost everything.

What to do at home

1) Practise facts little but often

- End of YEAR 4: RAPID recall of all times tables inc. division facts up 12×12 .

- Practise derived facts (Year 5/6)

If I know $8 \times 8 = 64$,

then I know $0.8 \times 8 = 6.4$

What to do at home

Resources:

- 1) Sumdog (Training > Choose skills)
- 2) Quizzing using children's planners p101
- 3) Search: Corbett Maths Primary
