Skellig by David Almond

The theme we are focusing on in this book is **change.**

While reading this book, we will explore how the characters change and grow. We will think about physical, emotional and personal changes, as well as how each character's thoughts and feelings change over time. We will discover that change is not always easy to understand and explore how it shapes the characters' lives and relationships throughout the story.

Key Characters

Michael

Mina

Skellig

Michael's mum, dad and baby sister

Plot

When Michael and his family move into a new house, he discovers a strange and mysterious creature hiding in the garage. As Michael and his new friend Mina try to uncover the truth about Skellig, they find themselves caught up in a journey filled with mystery, friendship and hope. Along the way, Michael must face challenges at home and learn to see the world in a different way.
