

**Bournville Village Primary School is a school where we aim to keep children's rights at the heart of our ethos and culture, to improve well-being and to develop every child's talents and abilities to their full potential.** As part of this we are a 'Silver Aware Rights Respecting School'; an award given to schools on behalf of Unicef UK.

UNICEF is the world's leading organisation working for children and their rights. In 1989, governments worldwide promised all children the same rights by adopting the UN Convention on the Rights of the Child. These rights are based on what a child needs to survive, grow, participate and fulfil their potential.

We teach children the following rights as part of our safeguarding:

**Article 2 (non-discrimination):** The Convention applies to every child without discrimination, whatever their ethnicity, sex, religion, language, abilities or any other status, whatever they think or say, whatever their family background.

**Article 3 (best interests of the child):** The best interests of the child must be a top priority in all decisions and actions that affect children.

**Article 6 (life, survival and development):** Every child has the right to life. Governments must do all they can to ensure that children survive and develop to their full potential.

**Article 12 (respect for the views of the child):** Every child has the right to express their views, feelings and wishes in all matters affecting them, and to have their views considered and taken seriously. This right applies at all times, for example during immigration proceedings, housing decisions or the child's day-to-day home life.
