

The Three Billy Goats Gruff

The themes we are focusing on in this book are courage and problem solving.

courage

problem solving

In this traditional tale we will explore how the characters showed courage and worked together to solve a problem. We will look at the common themes that we often see in a traditional tale and link it to other stories we have read.

Plot

The Three Billy Goats Gruff is a story about three goats. They want to cross a bridge to eat nice green grass. A hungry troll lives under the bridge, but the goats are very clever and get past him.
