

WEEKLY ANNOUNCEMENTS

Autumn 2022-Issue 94

Dear Parents and Carers,

Well, we've got to the end of another busy week in school! It's been great to see a bit of sunshine and for the children to be able to enjoy slightly warmer break and lunchtimes. The George Building has been filled with music today- Year 5 have been working with BCMG, and Year 5 were also out and about earlier in the week for their field study work at Bournville Park - more details below.

Last Friday afternoon a large group of us went to the resort **World Arena in Birmingham for Young Voices 2023**. The afternoon was spent rehearsing (along with the other 6300 children!) and then in the evening we sang our way through the concert, helped along by Heather Small! It was a fantastic event; our children were amazing- super enthusiastic and incredibly well behaved throughout. Special thanks go to Mrs Vaughan for all the organising and rehearsing... and her amazing singing of course! Also, huge thanks to our three brilliant parent volunteers who were an amazing support.

Our **Reception** team are preparing for some extra visitors to the classroom next week and they are asking for any cardboard tubes (insides of toilet roles/ kitchen rolls etc) and also shallow cardboard trays (such as the ones you might see at the supermarket in between the tins of baked beans!) If you see/have any of these items, please drop them at the school office or to any member of the Reception team- thank you!

As you will have seen from our **Parent Survey responses**, there are plenty of things we can focus on, to make sure we are working together to give our children the best educational experience possible. And as promised, we would like to keep you informed of developments with a 'You said.... We did' feature in the newsletters from time to time. See further below for the first one (admittedly the easiest one to fix...we promise to tackle the more challenging issues too!)

Safeguarding and promoting the welfare of children is the responsibility of everyone in our school and at all times we consider what is in our children's best interests. We work to ensure our children are safe and cared for and by doing this we are protecting their health and development and preventing them from harm. If we are worried, we will raise concerns, share information, and take prompt action with the aim of ensuring families receive the right help at the right time.

Children's Mental Health Week

We are marking Children's Mental Health Week next week and children will be taking part in a variety of activities in class which complement our curriculum. There are some brilliant resources for families to use at home as well. Please follow the link to explore:

Lost Saxophone Music

Please can parents check their children's bags in case they've accidentally taken home some missing saxophone music (Star Wars, Abracadabra and Grade One pieces). Thank you!

Energy Drinks

In light of the rise in popularity of the Prime energy drinks, we would like to remind you that energy drinks are not permitted in school. Thank you for your co-operation.

Y5 Geography Fieldwork

Year 5 enjoyed taking measurements of our local stream, the Bourn Brook, and tracking the stream on maps as it joins larger rivers and makes its way to the sea.

School Meals Y3-Y6

REMINDER: School meals should be pre-paid for via your Parentpay account to help the kitchen plan the number of meals and to ensure that your account remains in credit.

Please note: As from the Summer Term, you will no longer be required to select a meal choice for your child – instead, you will only need to select the days that your child will have a school meal and your child will be able to make their food choice at the serving counter.

Music News

Last Friday, 48 members of our school choir took part in an incredible concert with Young Voices at World Resorts Arena Birmingham. Along with 6,300 children, our choir sung their hearts out, behaved impeccably and had the most amazing time watching the beat box world champions - 'Beat Box Collective', the phenomenal violinist Anna Phoebe, street dancers Urban Strides and singing with the legend that is Heather Small. A huge thank you to our three parent helpers, Mrs Cooper and Miss Owen for ensuring we could offer this amazing experience to our children. We can't wait until next year!

Here are some comments from the children:

"It was the best day ever! It was so awesome!" Jude

"It was an extraordinary experience and one of the best days I've ever had. My favourite bit was hearing the violinist." Myla

"It was truly an amazing experience and I loved Nile Rodgers Disco Party medley." Evie

"It was fun and loud, and I loved the street dancers Urban Strides." Curtis

Thank you to Myla, Evie, Ava W and Indigo for creating an amazing school poster for us:

Music Lessons in School

IMPORTANT: Due to unforeseen circumstances, percussion lessons are cancelled on **Friday 10th February** – lessons will be refunded.

Please remind your child to put their instruments in the music room on the day of their lesson and to collect them at the end of the day. We have a lot of instruments being left in the music room throughout the week.

If your child is struggling to practice at home in between lessons, remember even 5 minutes, 4 times a week will make a huge difference. We are happy to provide guidance if needed.

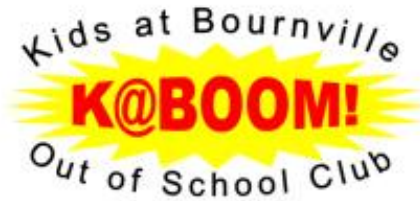

REMINDER: If your child wishes to **stop learning an instrument** in school, please email Mrs Vaughan by no later than **Friday 17th March** at the latest, as we have to give notice to amend our contract with the Music Service.

If your child is interested in **starting an instrument** (Year 3-6) or joining the school choir (Year 4-6) please email Mrs Vaughan at music@bournvillevillageprimary.org.uk.

If your child is not in school on the day of the lesson but you feel they are well enough to receive an online lesson, please email their instrument teacher the night before. The teacher will then send a link on Microsoft teams.

Our instrumental teachers are happy for parents to contact them about their child's progress and emails can be found on the school website under learning, curriculum, music tabs.

If you have any queries about paying for music lessons please email finance@bournvillevillageprimary.org.uk and for general music enquiries email music@bournvillevillageprimary.org.uk
