

Parent Voice Meeting 13.03.24

## Agenda

- Lunches- booking/ selections, quality of meals
- Breaktime snacks
- After School Clubs

We welcomed 5 parents and carers and had a representative from every key stage.

Mr Rogers shared headlines from our Parent/Carer Survey and answered some questions around some of the latest changes and implementation around school.

## Comments/Suggestions made:

Packed lunches chosen because child not a fan of school lunches.

Menus not on Arbor – difficult to keep track of which menu week it is.

Paying in advance - difficult if menu is not available.

Not seeing menu is detached – display in the app or connect to website.

Balance reminders would be helpful separate from the app.

Happy with the selections – desserts what about sugar content?

Pro veg menu – introduced post Easter

Want to see the salad station – photographs would be good.

See visuals from school council to encourage packed lunches to switch over – visual menu to be handed around.

2.40 seems good value – parents would be open to slight increase if quality was assured.

## Sustainability

Bridge the gap between costs.

Showcase the new menus and criteria.

Encourage families to apply to FSM.

If school provide packed lunch option in include more veg and fruit.

Breaktime snacks – Toast & fruit/veg options.

## After School:

Clubs for boys – mindfulness

Art and Design – is this for Key stage 2?

Linden Road, Bournville, Birmingham, B30 1JY
