Values, Behaviour and Relationships

Aim of the Policy

- To create a culture of exceptionally good behaviour.
- To ensure that all children are treated fairly and are shown respect.
- To promote good relationships.
- To help children take control over their behaviour and be responsible for the consequences of it.
- To build a school community which values kindness, care, good humour, good temper and empathy for others.
- To promote school community cohesion through improved relationships.
- To ensure that excellent behaviour is a minimum expectation for all.
- To promote self-discipline among pupils.
- To create an environment that reduces/ eliminates any chance of child-on-child abuse or bullying.

We're growing thriving and
happy minds in young children
