Sending and Receiving Year 2

About this Unit

Sending and receiving skills are important because they can be used in lots of other games. Learning these skills also helps your eyes, hands and feet work together. This makes your brain smarter because it has to think about where the ball is and how to make your body do what you want. You can always improve your sending and receiving skills with practise.

Ladder Knowledge

Sending:

Control the ball before sending it. Stepping with opposite foot to throwing arm will help you to balance.

Receiving:

Use wide fingers and pull the ball in to your chest to help to securely catch.

Movement Skills

- roll
- track
- catch
- receive with feet
- kick
- send and receive with a racket

This unit will also help you to develop other important skills.

- Social** communication, collaboration, leadership
- Emotional** honesty, determination
- Thinking** identifying how to improve, comprehension

Strategies

For all ball skills use these tips:

Track the ball as it comes towards. Point your hand or foot towards your target when sending the ball. Cushion the ball as you receive it.

Healthy Participation

- Make sure unused balls are stored in a safe place.
- Make sure you work in a safe space and show an awareness of others as you use the ball.

Home Learning

If you enjoy this unit why not see if there is a ball game e.g. a tennis club in your local area.

This unit will help you to:

- change direction
- balance
- move different body parts at the same time
- be faster
- move for longer

Complete the Clock

What you need: twelve markers, one ball

How to play:

- Create a circle with the markers. Identify where the numbers would be if it was a clock.
- Kick your ball through each of the gaps.
- Repeat, this time once through 1 o'clock, twice through 2 o'clock, all the way to twelve times through 12 o'clock.

Make this harder by asking someone to time you. How quickly you can complete the clock?
